# ROHNEX

- Rohnex is a USA company offering product lines of travertine, granite, laminate, furniture vanities, and vinyl flooring.
- Our offices are located in the USA, China and Turkey.
- We ship our products by the containers from Turkey and China.
- We can quote our product pricing FOB Port of Origin or delivered to your door.
- Our products usually ship in 75 to 90 days from date of order entry.

## Just Few Examples of Our Company's Advantages

- Whether you want one container or twenty, we can deliver.
- We require NO down payment until you have received our products.
- In other words, we guarantee our product quality, and stand behind our guarantee.
- We give all our customers personalized service. We call on you at your business as often as you need us.
- We have personalized logistics programs. You will receive container updates automatically from our office when it leaves the port until it gets to your destination.
- We deliver our products on a timely basis. There are no surprises, if we quote you 90 days, you will receive it in 90 days with the exception of customs hold or mother nature. Our track record speaks for itself.
- We train our staff for customer service. Our customers always come first. No exceptions. We are available 24/7.
- We offer our customers first choice on product deals we have from time to time.
- Last but not least, we appreciate your business very much. We will work with your company to meet your business needs.

Thank you for your interest in our company

Rohnex, LLC.

## MOULDINGS

### Reducer

A flush mounting Transition from your laminate floor to a lower hard surface flooring. (used with track)

### T-molding

Bridges the gap between two level surfaces. (used with track)

### End-cap

The perfect way to separate your laminate floor from your carpet.

### Stairnose

Finish your steps with this beautiful molding. (used with track)

### Quarter Round

Finish the transition between the floor and the wall surfaces.

### Wallbase I

Borders the floor at the base of the wall to give your room a finished look. For better look, use 1/4 Round with your wallboard.

### Wallbase II

Borders the floor at the base of the wall to give your room a finished look. For better look, use 1/4 Round with your wallboard.

### Track

To fix molding Every molding needs Track except 1/4 Round.

## Uni-Clic Laminate Installation

## Warranty

Rohnex warrants products to be free of defects in material and workmanship. All products must be examined thoroughly prior to installation and any questionable planks shall not be installed.

It is important that the product be installed correctly and maintained properly. The warranty covers finish, wear, stain, and fading, under normal conditions in a residential installation. In the event of a claim, Rohnex reserves the right to either repair or replace product. The warranty covers the cost of the product only.

All claims must be submitted in writing to place of purchase. Failure to follow these procedures may result in voiding some or all of the warranty.

This limited warranty is not transferable and extends only to the original end user.
