ROHNEX

- Rohnex is a USA company offering product lines of travertine, granite, laminate, furniture vanities, and vinyl flooring.
- Our offices are located in the USA, China and Turkey.
- We ship our products by the containers from Turkey and China.
- We can quote our product pricing FOB Port of Origin or delivered to your door.
- Our products usually ship in 75 to 90 days from date of order entry.

Just Few Examples of Our Company's Advantages

- You can mix up to 5 colors PVC tiles or PVC planks in any thickness in the same container.
- Whether you want one container or twenty, we can deliver.
- We require NO down payment until you have received our products.
- In other words, we guarantee our product quality, and stand behind our guarantee.
- We give all our customers personalized service. We call on you at your business as often as you need us.
- We have personalized logistics programs. You will receive container updates automatically from our office when it leaves the port until it gets to your destination.
- We deliver our products on a timely basis. There are no surprises, if we quote you 90 days, you will receive it in 90 days with the exception of customs hold or mother nature. Our track record speaks for itself.
- We train our staff for customer service. Our customers always come first. No exceptions. We are available 24/7.
- We offer our customers first choice on product deals we have from time to time.
- Last but not least, we appreciate your business very much. We will work with your company to meet your business needs.

PVC Packaging Information
